<p>I give permission for my child to work with the school wellbeing leader.</p>	<p>Signed:</p> <p>Date:</p>
MOBILE PHONES AND PERSONAL DEVICES	
Personal devices include: mobile phones, tablets, smart watches and laptops.	
<p>I understand that students who bring a mobile phone or personal device to school:</p> <ul style="list-style-type: none"> • Do so at their own risk (the school accepts no responsibility for lost, stolen or damaged mobile phones). • Are required to be handed in to the Front office (switched off) at the beginning of the day. • Can collect them at the end of the school day. • Are not allowed to use their mobile phone/personal device while on school grounds between 8.30am and 3.20pm or when waiting for pick up by family (any unexpected problem solving is to be managed through the front office) • Are not to be used to make calls, send SMS messages, surf the internet, and take photographs or any other application on school grounds. • If found accessing or using their phone/personal device during the school day they will be required to lodge the item at the front office at the beginning of the school day and collect it at the end of the day if they wish to continue bringing it to school. • Will face disciplinary action as sanctioned by the Principal if using it inappropriately. The school has the legal right and responsibility to hold a student's mobile phone/personal device to be handed to SA Police if there are any concerns regarding inappropriate material or possible evidence of electronic abuse or harassment. Please see the Modbury South Primary School Mobile Telephone Policy for further information. 	<p>Signed:</p> <p>Date:</p>
CYBER SAFETY	
<p>I understand that Modbury South Primary School will:</p> <ul style="list-style-type: none"> • Do its best to enhance learning through the safe use of ICTs. This includes working to restrict access to inappropriate, illegal or 	<p>Signed:</p> <p>Date:</p>

<p>harmful material on the internet or on ICT equipment/devices at school or at school related activities.</p> <ul style="list-style-type: none"> • Work with students and their families to encourage and develop an understanding of the importance of cyber safety through education designed to complement and support the Use Agreement initiative. This includes providing children with strategies to keep themselves safe in a connected online world. • Respond to any breaches in an appropriate manner, • Welcome enquiries at any time from parents/caregivers/legal guardians or students about cyber safety issues. <p>My responsibilities include:</p> <ul style="list-style-type: none"> • Discussing the information about cyber safety with my child and explaining why it is important. • Supporting the school's cyber safety program by emphasising to my child the need to follow the cyber safety strategies. • Contacting the Principal or nominee to discuss any questions I may have about cyber safety and/or the MSPS ICT/Cyber Safety Agreement. • I have read and understand the MSPS Cyber Safety Policy. 	
<p>SEESAW</p>	
<p>Seesaw is a digital portfolio where educators and children (with educator's supervision) can add photos, videos, drawings, tests, PDFs and more. Educators and children will use Seesaw to communicate information and share children's learning with families.</p>	
<p>How do I get Seesaw? You will receive an invitation to connect to Seesaw from your child/s class teacher. Simply follow the instructions outlined to download the application and scan your child's unique QR code. Please see staff if you need any help to do this.</p> <p>What can families see on Seesaw? Families can only view the work posted by the teacher in their own child's journal. Families will not see the work of anyone else in the group unless the MSPS teacher has intentionally shared it (this may happen when there is a small or large group experience that we want to share with everyone?)</p> <p>Who controls my child's Seesaw Journal? The MSPS teachers have complete control over the children's Seesaw journal including approving what is posted, approving parent's comments on the posts and who is able to see the posts. Teachers will adhere to parents' permissions for each child to ensure your child's safety and wellbeing.</p> <p>How many family members can connect to one child? Up to 10 family members can download the code and connect, however, we ask that you limit it to 2 parents/caregivers to ensure that the teachers can monitor and control the amount of people who are viewing the photos and information. Teachers can check this and will remove people if you add more than 2 parents/caregivers. Please support us with this.</p>	<p>Signed: Date:</p>
