Goals

Goal 1: Strengthen children's knowledge and understanding of everyday data and expand vocabulary to notice, name and compare.

Challenge of Practice

If we intentionally plan and provide a range of rich and authentic data experiences then we will strengthen children's knowledge and understanding of everyday data and expand vocabulary to notice, name and compare.

Success Criteria

Pedagogical documentation will show an increase in children's use of language in noticing and comparing and evidence children engaging in a range of data repertoires.
