VOLUME 02

Term 2 Modbury South PS Sapsasa Results

Boys Football Carnival - Modbury South attended the Tea Tree Gully district Sapsasa Boys Football Carnival on the 16th June. The school brought a mixture of students from years 3-6 who had limited experience playing the game despite this, the team showed great promise in the first game, but the boys didn't let that discourage them. They continued to try hard throughout the carnival, representing the school positively with their sportsmanship, attitude and effort. Although the team didn't achieve their desired result, the experience gained from the tournament will be invaluable for the boys and hopefully, it will lead to some success in the years to come. The school is proud of their team and looks forward to seeing them develop their skills and grow as players.
