## Governing Council Report

As a Governing Council we work closely with the Principal / preschool director (site leader), secretary, treasurer, other members of council, and the wider school/preschool community to comply with the council's constitution. We meet twice a term in Weeks 3 and 8 to discuss all reports and correspondence with the school.

In 2024 Modbury South Primary School was a Kindy to Year 6 school with approximately 200 children enrolled. The Governing Council oversees several areas of the school to ensure compliance and safety for our students.

The main areas of responsibility for the GC are:

- School Finance,
- Canteen Facilities,
- Community and Fundraising,
- Out of School Hours Care,
- School Grounds and Facilities.
- Policy and Planning

Some other areas the GC assists the school community

- Selecting School Photographers for School Photos,
- Permitting School funds to be used to benefit our students
- Organising and approving School Pupil Free days and Leader Development Days

The GC oversees and gets regular updates about all School based Strategic plans and action plans that are implemented as part of these actions. We also discuss the relevant results and learning strategies and outcomes of Leaders and teachers in relation to Student development plans and NAPLAN scores.

# Attendance Comment

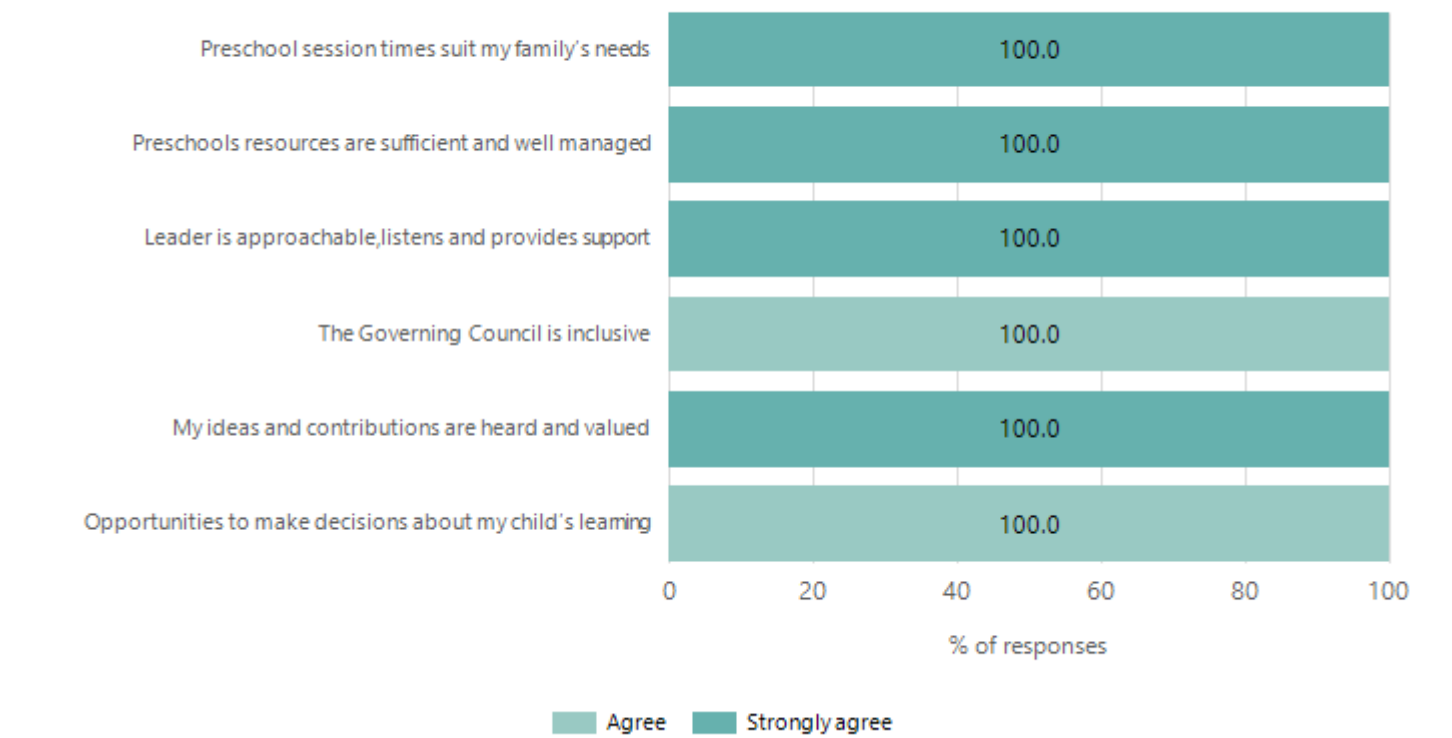

In South Australia, preschool attendance is not compulsory, but it is strongly encouraged. Preschool gives children the best opportunity to develop skills, which prepare them for school. These benefits include establishing positive routines and habits, friendships and connections as well as developing communication, problem-solving and creative skills. All children are entitled to access a preschool program over 4 terms the year before they start school.

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
