April 11th 2025, Term 1, Week 11

## PRINCIPAL'S MESSAGE

Dear Families and Community,  
Thank you for all your support this term. It has been amazing sharing our new values and seeing the impact of these values for students, staff and families.

We are seeing so many examples of Kindness and Community in the yard and it is great to see our families connecting and building networks.

We are also seeing lots of examples of students showing Bravery in their learning. An important part of being an effective learner is the ability to persist with a task or some new thinking, even when it is hard. We are seeing lots of our students doing this and trying a range of strategies in their learning to see which strategy is the most effective. These skills will support our students to become the best learners they can be!

I hope you all get some down time over the school break and have a chance to enjoy the last few days of warmer weather and sunshine.

We look forward to seeing all our students back at school on **Monday, 28th April**, ready to learn after a restful break.

Enjoy a safe, happy break and a Happy Easter.

Denise Squire, Principal
