March 28th 2025, Term 1, Week 9

PRINCIPAL'S MESSAGE

Dear Families and Community,

It is hard to believe that we are already at the end of Week 9. I am so pleased with how well our students have settled in this year and made the most of their learning this term.

It was also great to see our students and families celebrating Harmony Week last week and showing how we work together and celebrate our diversity as a community.

Today we have seen a number of our students head off to represent our school at SAPSASA Athletics. Our students make us so proud as they participate in wider community events and do so in a way that show our values of Bravery, Community and Kindness.

Just a few reminders. Next week is interview week. Please make sure that you are on time for your interviews and that you enter the building through the front office.

Next Wednesday we will be participating in World Autism Awareness Day. All students are encouraged to wear purple (or blue) and to bring a gold coin donation that will go towards the purchase of some sensory activities for our yard.

I hope everyone has a lovely weekend.

Thank you for your ongoing support.

Denise

OUR VALUES IN ACTION

This year we want to recognise students, staff and families who are demonstrating our school values and celebrate how this contributes to our school being a positive place to learn, grow and achieve.

This week Nishan and Rainin have been persevering with their phonics learning and experiencing growth.

This week we noticed Zach supporting younger students in the yard to solve problems and get along.

We want to recognise the amazing work of Ms Kirsty and our student-run canteen helpers in providing a canteen service for our school community.

YARD SUPERVISION

A reminder that before-school yard supervision is from **8:35am**. If you are dropping your child/ren in the yard before **8:35am** please be aware that they are unsupervised until this time. We are exploring before-school care options in order to provide families with a safe care option for their children before this time.

M&S CHARGES (school fees)

Families would now have received their M&S Charges - school fees. The total amount charged is \$310 but with the SA Government rebate of \$200, the total amount to be paid is \$110.00. If you have not received your invoice or you have any queries please do not hesitate to contact us.

You can direct deposit fees at
