20th November 2025, Term 4, Week 6

VOLUME 17

PRINCIPAL'S MESSAGE

As we come towards the end of the year we just seem to get busier and busier here at Modbury South. We have sports day, preschool and reception transition visits, year 6 partnership transition day and classes rehearsing diligently for concert this week. With all this business its likely your child/ren are feeling a little more exhausted than usual which is to be expected. Let us know if there is anything we can do to further support your child.

Look after yourselves and each other over these last three weeks of term and enjoy with us the celebrations to come. We look forward to seeing you all at our MSPS Concert and families at our year 6 Graduation ceremony.

Kind regards,
Kristen Angus

to Civic Park

FRIDAY 12 DECEMBER
LAST DAY OF TERM 4
EARLY DISMISSAL AT
2PM & CASUAL DAY
WITH GOLD COIN
DONATION.

OUR VALUES IN ACTION

This year we want to recognise students, staff and families who are demonstrating our school values and celebrate how this contributes to our school being a positive place to learn, grow and achieve.

Our 2026 new receptions and preschoolers have shown bravery during their transition visits over the last two weeks. We have loved welcoming them to Modbury South.

Talena and Naitri have shown great kindness in reconnecting with, and welcoming, a friend who is transitioning to their class next year.

It has been great to see our families reaching out to support one another through difficult times.

Subject Description	Cost (\$)
	\$0.00
	\$0.00
	\$0.00
	\$0.00
	\$0.00

Our materials and services charge for 2026 will be \$310.00 per student. This is the same as it was in 2025, there is no change.

We invite any parents/care givers who wish to share feedback on the charge to our next Governing Council Meeting on Tuesday 2/12/25 at 4:30pm at MSPS.

Room 8 has been busy creating amazing habitat dioramas to showcase their understanding of different ecosystems. Each diorama represents a unique environment—such as forests, deserts and oceans—and includes the plants and animals that live there. Through this project, students explored how living things depend on each other and their surroundings for survival. The dioramas highlight the importance of protecting habitats and remind us that every creature plays a role in maintaining balance in nature.
