25 October, 2024, Term 4, Week 2

VOLUME 16

PRINCIPAL'S MESSAGE

Dear families and community.

Welcome back for Term 4 - a term full of learning, celebrations and milestones.

As we start this term can I please remind all families that it is a requirement that all students attend school every day, for the full day. Our school day begins at 8:50 and ends at 3:00 and it is important that students are present for all aspects of the day.

I know that there are situations that require a late drop off or an early pick-up but ask that you **NOTIFY THE SCHOOL AS EARLY AS POSSIBLE** and where it is a scheduled appointment, that you notify myself in writing or the classroom teacher through SeeSaw.

I know that parking/ Kiss and Drop is quite busy at the end of the day but please do not use this as a reason for picking up early as it does mean that your child is missing out on valuable learning time.

Thank you. Looking forward to a great term.

Denise

Diary Dates

TUESDAY 29 OCTOBER
GOV COUNCIL MEETING
7PM STAFFROOM

MONDAY 4 NOVEMBER
YEAR 6 AQUATICS

TUESDAY 5 NOVEMBER
SPORTS DAY & COLOUR
FUN RUN

DISPOSITIONS FOR LEARNING

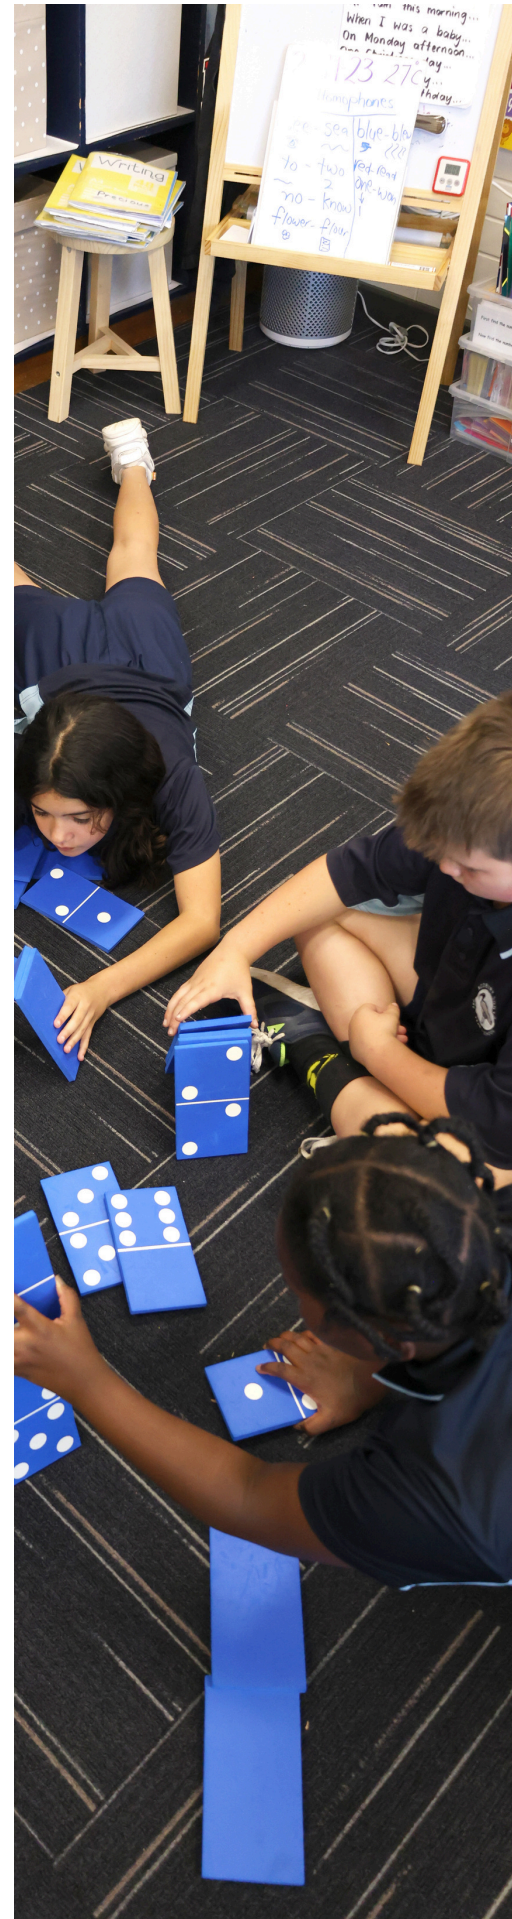

RESPONSIBLE

At Modbury South Primary School, fostering a sense of responsibility in students is essential for their growth and development. Responsibility is not just about completing tasks; it encompasses accountability, reliability, and the ability to make thoughtful choices. When students learn to take responsibility for their actions, they develop important life skills that will serve them well in the future.

Responsible learners understand the importance of setting goals and following through on commitments. This disposition encourages them to manage their time effectively, prioritize tasks, and seek help when needed. By taking ownership of their learning, students become more engaged and motivated, leading to improved academic performance.

Moreover, cultivating responsibility helps students build strong relationships with their peers and teachers. When they recognize the impact of their actions on others, they learn to communicate respectfully and work collaboratively. This sense of community fosters a positive classroom environment where everyone feels valued.

At our school, we promote responsibility through various initiatives, such as classroom jobs, group projects, and self-reflection activities. By encouraging our students to embrace this important disposition, we are preparing them to become conscientious individuals who contribute positively to society. Let's work together to nurture responsible learners!

NORTH EAST COMMUNITY DAY

Saturday
2nd November
10am to 2pm

QUEENSBOROUGH RESERVE,
HILLCREST

FREE ENTRY

JOIN US FOR LOTS OF FUN!

- bouncy castle •
- face painters •

Able with Athletics Come and Try Day (SA)

We are excited to bring to you the Able with Athletics Come and Try Days, co-designed with our partners to provide a fun, social, and inclusive introduction to athletics for children with a disability and their families.

These welcoming days will allow participants to explore a variety of athletics disciplines as well as an opportunity to build confidence, make new friends and just have loads of fun!

What to Expect:

A fun, social, and inclusive introduction to athletics, with activities including Next Athletics and Little Athletics.

Engaging and adapted activities to meet your child's unique needs, ensuring everyone can participate. Opportunities to learn about inclusion, classification pathways, and more.

A welcoming environment where your child can make new friends, build confidence, and discover their potential!

How to get involved?

Participation is completely FREE! Click on 'register' to submit your entry.

Simply bring your enthusiasm and a willingness to explore new activities. Whether your child is new to athletics or has some experience, everyone is welcome to join in and explore the world of athletics at the come and try day.
